To Whom may concern;

CIR and Centro Para Familias Hispanas are pleased to announce our upcoming event, "**Mujer, Prepárate Para el Éxito**" (www.mujerprepatate.org) on April 23rd, 2016. This event highlights many elements of how Latino women can find success.

It is focused on Hispanic women who have a desire to contribute to their families and the community, but are not sure about their value as women or even how to meet their goals. We are especially glad to encourage our attendees in pursuing best practices in finding personal success. We hope to offer them encouragement as well as know-how by sharing stories and educating them about creating successful businesses as well as successful households. We will also be having key speakers offer advice on these topics. We are very excited about the impact this event is going to have on our community. At our last event in November of 2015 more than 100 women learned the importance of being leaders in the community, how to take care of themselves emotionally, and how to register a small business.

Would you consider making your mark on this community even more significant by hosting this event. CIR and Centro para Familias Hispanas are two separate non-profit organization with a 501(c)3 tax exempt status and we will be happy to provide you with a donation letter if you require it.

Please email maty.ferrer@raldioc.org or phone me at (919) 873-0094 ext. 222 to let me know what you decide.

Thank you for your valuable time,
